Subject: Florida Forever Grant Applications

Paul -

The application submitted this fiscal year (05/06) for the Harbinwood construction project is a replacement for the previously awarded FY03/04 grant request. Please consider this our request to release the FY03/04 obligation in lieu of our current project.

As we have discussed, problems with land acquisition which prevented execution of the FY03/04 funding agreement have been resolved. Leon County is currently in position to advertise and award the construction contract this fiscal year, and to make substantial progress on the project. County staff appreciate your efforts on our behalf in restoring and protecting our water resources.
